NOTE FOR ORDERS.

Subject :- Grant of rice allowance to the Sri Siva-Lingeswaraswami Temple built by Dhanakoti Amm in the Kamati Kere, Mysore city.

Subject Reference :- Dhana-Koti Amma's petition no 341 dated nil.

The petitioner Dhana-Koti Ammal has been in receipt of 20 seers of rice every month for her maintenance from the Kanyalarakki Chat... in the Chattra at Mysore. She ...

2

in her petition that she was built an Eswara Temple in Kumati Kere, Mysore City at a cost of nearly Rs 6000/- and has been maintaining it in an efficient state for the past 20 years; and prays therefore that the rice allowance now being enjoyed by her, be transferred the name of the temple, with an addition of 10 kurs per month. She also prays that the management of the temple be taken over by Govt. Her two submitted, previous petns

Ex on the same subject are also put up -

Remarks by the Deputy Secretary.

The Petitioner (Dhanakoti Ammal)

Z is an elderly Tamil woman born of respectable parents. At an early age, she seems to have given up family ties and has been leading a life of celibacy, devoting herself to religious duties. By means of contributions from people she has built a neat little temple of Easwara in one of the lanes behind the Central Police Station in the Mysore city, and has been maintaining it in a decent condition. I saw it about this time last year.

The petitioner gets an allowance of 20 seers of rice per month from the 'Kangalarakki' charity which is given from the Mysore

Annachattram. As she is advancing
in age and is anxious about
the continuance of worship in
the temple after her death,
She prays that her allowance
of rice may be raised to 30 seers
a month and given to the
Archak who has been employed
by her.

The petitioner constantly
reases her prayer every time
go to Mysore, and has now
etitioned the Dewan also.
rsonally, I think Petitioner's
quest is deserving of favorable
sideration. I have had
n bts however whether rice
es which are intended for
subsistence of poor persons

can

can be diverted for the maintenance of temples, there are however a few precedents justifying this course, e.g., 30 seers of rice a month are given from the Hoskote Chattram to a temple at Krishnarajapuram, and a similar quantity is given from the Bidadi Chattram to the Venkataramanaswami Temple in the Fort of Bangalore.

It is submitted that, as a special case, the prayer of the petitioner may be sanctioned, 30 seers of rice being given to the Archak of the temple in question, as long as he duly performs worship

in the temple.

Subt to the Orders for orders.

Dhanakoti Ammal, regarding was informed by this Office Endorsement No 846 dated 29th October 1902 ~~Copies of the correspondence enclosed~~

Meanwhile, she had petitioned the Dy Commr of the Mysore District requesting

7 — (7) /

requesting that the temple, built by her, be taken over under Govt management as she had become too old and utterly unable to maintain it any longer = ~~The temple has been inspected by the Taluk authorities and~~ The cost of the construction of the building is estimated at Rs 885. Besides, the petr is reported to have given a lot of copper and brass utensils for use in the temple. She has deposited that a further sum of Rs 100 will be deposited by her --

The Dy Commr Mr B. K. Venkatavaradiengar in his letter No 208 dated 14th January 1903 recommends the grant of 6 Rs per measem from the Edward Amma Chattram.

The Remembrancer records received with the Dy Commrs letter show that the temple was inspected by the Taluk Sheristadar.

for the benefit of the temple, ~~and the Talak authorities recommend that the Matt may be taken over under Govt. management.~~ In Consideration of the petitioner having given up all family ties and leading a life of celibacy devoting herself entirely to religious duties and her inability to conduct the daily services in the temple on account of her extreme old age, the Amildar (Mr. V. Krishnadas) recommends that a sum of Rs 6 per mensem may be given either from the Yelwal Chathram to where there are

4

While thus recommending the Assistant adds that it is not advisable to utilize the Chattram funds for such purposes, but that the petitioner's prayer be considered as a special case.

The Dy Commr in his letter No 208 recommends the grant of Rs 6 monthly to the temple from the Pilvai Chattram for the daily Paditaru in the Mosque, the interest on the deposit of Rs 100 made by Dhanakoti Ammal, being utilized towards the repairs of the temple building. The Dy Commr requests that the Govt may be pleased to sanction this.

As submitted

Deputy Secretary's remarks: (10)

The reasons which induced Government to refuse compliance with the prayer to give 20 seers of rice a month (equivalent in value to about Rs 3/-) from the Anna Chattram at Mysore apply with greater force to the present proposal to give 6 Rs a month from the Government Anna Chattram at Yelwal, whose resources are much less than those of the Mysore Chattram, Rs 6 a month will be too large a drain upon the income of the Yelwal Chattram

Although there may be some savings, the amount of which has not been reported by the Deputy Comm^r. Under these circumstances I feel that I cannot recommend the payment suggested by the Deputy Commissioner.

From the commencement I have been submitting that Dharmakoti Ammal's temple deserves the favourable consideration of Government. I shall therefore remember this case and recommend some cash grant to this temple

at an early date if
after an examination
into the lapsed grants
of Murrai distinctions.

Meanwhile the
present reference may
be disposed of by
saying that the
Deputy Commissioner's
recommendation
cannot be complied
with for the reasons
given in the Endorsement
No. 846 dated 29th
October 1902.

Adverting to the Dewan's order dated 20th July 1903 enquiring if there are any lapsed Muzrai Grants which can be made available for assignment to the temple built & endowed by Dharmakoti Annual, I beg to submit herewith a printed copy of the statement of Personal Muzrai Ready Money allowances lapsed to

the State from which it will be seen that a total lapse of Rs 2,193-0-0 is annually available.

2. Cash grants have been newly sanctioned in the case of the marginally noted institutions, and under the circumstances already explained by me I beg to recommend the grant to the temple of a small cash allowance of Rs 3 per month.

Annual Cash Grants newly sanctioned

* 1. Arunachaleswarasvami temple at Tiruvallam - Rs 84-0-0
2. Harihareswarasvami temple at Haribar from Rs 174-9-0 to Rs 600-0-0
3. Ramalingam temple at Nagarbad Mallia - Mysore Rs 36-0-0
4. Sri Agastheswarasvami temple at Ramanathpuram — Rs 120-0-0

15

15

Subject to the decision.

Dhanakoti Ammal's request is a long-standing one and she will die in peace if a small grant is sanctioned to her temple. She is now getting a service allowance of 30 seers per month which she wants to be transferred to the temple. This is not however feasible and I recommend that a cash grant of Rs 3 per month from the lapsed amount may be sanctioned

Note continued.

Orders sanctioning a cash grant of Rs 3/- per mensem to this temple were issued in Govt. Pro: no. 3588-90 dated 21st May 1904. The petitioner Murt. 58-98

Dhanakoti Ammal now represents in a memorial addressed to His Highness that the grant is inadequate for the performance of daily puja, Deparadhane and neivedya, and asks that the grant may be raised to Rs 10/-

per mensem or that 3 seers of rice be given daily ~~&c~~ in addition to the present grant — The memorial has been received with the Private Secretary's memo No. 1117, dated 7th November 1904, for disposal.

New Jasdik grants to temples are given only in rare instances. The petitioner's case was treated as a special one and a grant of Rs 3/- sanctioned, while there are hundreds of temples in the State endowed with much smaller grants.

In the case of the temple of Ramadevaru newly built in the Nazarbad Mohalla of the Mysore city by the residents of the place, only a sum of Rs 3/- per mensem was granted in the year 1896. Vide Govt Pro: No. 133-5 Muzt 8-96, dated 20th July 1896.

Under these circumstances, it is my humble opinion that an additional grant need not be sanctioned.

Most Respected Sir,

I beg to bring to your honor's kind notice that I have built the temple of Sivalingeswaraswami in Kamati Keri, Kalamma's street, Mysore at a cost of nearly 6000/- Rs. I have been maintaining the temple in an efficient manner for the past 20 years and have spent thousands of Rs. in its upkeep. The Amildar of Mysore, the Muzrai Assistant Commissioner, the late Muzrai Superintendent and the present Deputy Secretary have all inspected the temple. I am in receipt of 20 seers of rice a month from the Kangalarakki at Mysore. As I am very old, I am anxious that the worship in the temple should be perpetual and I therefore most humbly beg that your honor may be graciously pleased to transfer the rice allowance adding more 10 seers to it, to the name of the temple and order the management of the Institution being taken over by Government. For this act of kindness I shall as in duty bound ever pray for your long life and prosperity.

I beg to remain,
Most Respected Sir,
Your most obedient servant.

His Highness Sri Krishnarajendra Wodayer Bahadur,

Your Highness's most obedient and loyal subject Dhanakoti Ammal residing in Kamatikery, Mandi Mohalla, Mysore City, most respectfully begs to state that she has built a temple in Kamatikery dedicated to Siva Lingeswara at a cost of nearly 6 or 7 thousand Rupees. She had been maintaining the temple from her own cost up to about six months ago. The Government on her representation were pleased to sanction a cash Tasdik grant of Rs3 per mensem. But the amount is inadequate for the performance of daily Puja etc, in the temple, and for the conduct of Deeparadhane, Naivedya, therein.

2. Your Highness' most humble and loyal servant therefore, very respectfully prays that the amount of the Tasdik may be kindly raised to Rs10/- per mensem,,or a daily allowance of 3 seers of rice may be added on to the present Tasdik grant.

For which act of kindness, she will ever pray for Your Highness' long life and properity.
